AFFIDAVIT OF WILLIAM OSBORNE

STATE OF ALASKA)
) ss.
THIRD JUDICIAL DISTRICT)

William Osborne, being first duly sworn upon oath, deposes and states:

1. I am the defendant in the above-captioned matter.

2. I have always maintained my innocence. I told my attorney I never did the crime I was charged with, specifically sexually assaulting and kidnapping K.G.

3. I asked my trial attorney, Sidney Billingslea, to have the condom material tested further. She denied my request. I even sought outside help on the issue.

4. Mr. Cavanaugh has tried for years to obtain re-testing on the condom. The State of Alaska has refused to allow the testing. I have spent the majority of my sentence in solitary confinement.

5. I was even shipped to Florence, Arizona. While there, I was assaulted by a guard. The assault resulted in a four (4) inch scar on the back of my head in 1999. This is a matter of public record in Florence, Arizona.

6. I was shipped back to Alaska and have spent the majority of my sentence in solitary confinement at Spring Creek Correctional facility.

7. My facility parole officer gave me a parole package when I became eligible for discretionary parole. It is common knowledge amongst inmates that if an inmate does not make a confession to the crimes he's convicted of. The parole board more than likely will not grant him discretionary parole. It is also common knowlegde if an inmate has an attorney present at the parole hearing. That the inmate is viewed as being defensive and not accepting responsibility for his crime. I was not represented by counsel at my parole hearing.

8. My written and oral statements to the parole board was a reiteration of the information presented in numerous documents that are a matter of public record, and for which I was convicted and sentenced to serve 21 years in prison for.

9. I have no doubt whatsoever that re-testing of the condom will prove once and for all time either my guilt or innocence.

10. My life behind bars has been hellish. I said and wrote what I did at my parole hearing with the hope that the parole board might view me favorably and unbiasedly.

11. This motion is brought in good faith and not to harrass or delay this matter.

FUTHER YOUR AFFIANT SAYETH NAUGHT.

William Osborne
